Letter No. 181 dated 21st September 1945, from the Superintendent of Stamps in Mysore, Bangalore, to the President, Town Municipal Council, Mysore.

Notification dated 27th October 1945.

With reference to your letter No. M. 10-10—45-46, dated forwarding 150 M. A. M. Receipt Books and a treasury chellan of having credited Rs. 625, being the stamp duty chargeable for impressing the receipt books with receipt stamps, I have the honour to state that the Superintendent, Stamp Manufactory, to whom the books were sent for embossing, has returned the books on 17th September 1945, stating that the embossing press will not permit the stamping on documents *in book form* especially when these books are so tiny. He, however, suggests that the books containing foils and counterfoils received for impressing stamp duty may be sent in loose leaves or sent after the originals in those books have been carefully folded (to avoid faulty stamping of the originals) leaving the duplicates alone to be stamped. The Receipt Books are, therefore, returned by separate parcel and I request that the folding of originals may kindly be got done or loose forms may be sent when embossing will be undertaken. I also request that they may be sent in small bundles of three or four instalments to facilitate early compliance of the stamping work.

No. 191. Copy of the above is submitted to the Comproller to Government of Mysore, Bangalore, for kin information. When the M. A. M. Receipt Books are sent in future on behalf of Municipalities or District Boards, they may be advised to send the books in loose forms or to fold the originals if duplicates are to be stamped in those books to avoid faulty impression to the originals at the time of stamping.
